

Nursery Spring 1 Newsletter 2026

We welcome some new 'Bear Cubs' and will revisit our nursery rules, the 'rhythm of the day' and continue learning each other's names. Our activities and learning are linked to a 'Jobs People do' theme. We welcome any parents that are willing to come into nursery and share information about their occupations at carpet time. We will be providing a variety of alternative role-play scenarios including a hospital, vets, café and building site. The provision will promote communication skills, help build further relationships and extend our knowledge and understanding of the world. As usual our 'book of the week' will be linked to our theme and cover a range of fiction and non fiction texts.

All of the Bear Cubs have a Tapestry account which is regularly updated with photographs of significant experiences at nursery. Please feel free to post pictures of important outings or activities shared with the family, the children love sharing these details at carpet time.

Every Monday a new post will inform the following week's planned focus and activities.

Bird Watching Week

We will be linking with the BBC's Bird Watch and the Bear Cubs will have opportunity to spot birds in the school environment. You might like to keep an eye on things at home too and post photos on Tapestry. (19th – 23rd Jan)

Please feel free to call at any time if you have any queries or concerns on (01603) 434128 ext 230

or email nursery@stwilliamsprimary.org.uk
