

28.2.20

Next week is Green Progress week. Please come on your allocated day and time. If you are unable to come, please let the office know.

Ofsted Report - February 2020

Our Ofsted Report is now available on our website (paper copies available from the Office) and will be live via the Ofsted website soon.

Everything we strive to do at St. William's Primary School is for the children in our community and not for any external purpose. We are pleased with the outcome and will continue to ensure every child

Learns, Laughs and Shines!

Thank you again for your continued support.

Countdown is on for the new cashless system which will be in place after the Easter holidays. This does mean that any outstanding payments need to be made before then. Thank you for your help with this.

Year 5 have had a fantastic day in our capital city visiting the Houses of Parliament. This is a fantastic opportunity which really brings learning to life. Many thanks for getting your children to school so early this morning and to the staff for their additional time. We will keep you posted via text of their arrival time back at school.

Thank you to everyone who came to our KS1 Maths event this week. It was brilliant to see so many adults in school finding out how we teach maths and also sharing activities with their children.

Let's keep talking positively about maths and sharing how it can be fun. If you were unable to attend but you would like to find out more about how you can help your child at home with their maths, please speak to your child's class teacher. You can also find the PowerPoint on our

updated website <https://www.st-williams.norfolk.sch.uk/>

Don't forget we also have a KS2 event on Monday 2nd March 9am
Helping Y3&4 Learn Their Times Tables

We understand there are some concerns about the ongoing health alerts, particularly regarding people who travelled abroad over half term. We are monitoring the situation closely and following all Government advice. We will continue to promote good hygiene care by all staff and children.

The next SWA disco is KS2 on Friday, 13th March. Letters have gone home this week.

Dates for your diary:

- Monday 2nd March - Yr3&4 Times Tables maths event
- Thursday 5th March - World Book Day (No dressing up just another day of loving books!)
- Tuesday 10th March - Curriculum Day - Purim festival
- Wednesday 11th March - Year 3&4 Author event
- Thursday 12th March - Year 5 Science Event
- Friday 13th March - KS2 Disco
- Monday 16th March - Reception to Bure Valley Railway
- Friday 27th March - Quiz and Chips Week Commencing Monday 30th March - Shakespeare Week
- Tuesday 31st March - Jungle Book Yr5&6 performance
- Wednesday 1st April - Last day of term. School Closes at 3.20pm

Heating Update

With such a large site, it has been difficult finding the source of the problem. However, we now know the problem and are working hard with contractors to get us back to full working order.

Sporting Achievements!

Well done to everyone who took part in events this week. The Year 6 boys worked well as a team in football but unfortunately didn't get the result they hoped for.

There's always next time boys!

The Year 5 girls' football team played their FIRST EVER game and won 1-0 despite the hail!

Well done girls!

This afternoon we also have children taking part in one of our cross country leagues.

Good luck everyone!
