

Nursery – Daily Challenges

Tuesday 24th March

Fine motor	Can you make each finger (one at a time) tap the thumb on the same hand. You could also sing Tommy thumb.
Gross motor	Show your grown up some of the cosmic yoga poses that you have been learning at nursery e.g. the tree pose.
Reading	Look at some of the tins or packets in your cupboards. Can you find any of the letters that are in your name? You could use the laminated name card from your home learning pack to help you.
Self-care	Have you cleaned your teeth twice today? (After breakfast and before you go to bed.)
Speaking	Tell your grown up about signs of spring – look out of your window to see if you can see any.
Number	Can you do 1 turn around, 2 claps, 3 hops, 4 jumps and 5 star jumps? Count each movement as you do it to make sure you only do the correct number.
