

# Nursery – Daily Challenges

**Thursday 26th March**

<b>Fine motor</b>	Using play dough, can you squeeze it, roll it into a sausage and roll it into a ball. Here is a recipe for dough you could make at home: 1 cup of plain flour, 1 cups of water, 1/3 cup of salt, 1 tea spoon of oil, 2 teaspoons of cream of tartar (optional).
<b>Gross motor</b>	Throw and catch a small ball. If you do not have a ball perhaps you could use a small soft toy or cushion.
<b>Reading</b>	Tell your grown up a story from the pictures in a book of your choosing.
<b>Self-care</b>	Have a go at brushing your own hair.
<b>Speaking</b>	Ask your grown up to hide one of your toys behind their back. Ask questions to work out which toy is hiding. For example, does it have wheels? Is it hard or soft?
<b>Number</b>	Count how many shoes, teddies or people you have in your home. What else can you count?
