

Our Return to School on Monday 8th March: Year 5

Staff

5GS Teachers: Mrs Becky Gaffer (M-W), Mrs Rachel Sibley (Th-F)
Teaching Assistant: Mrs Vicky Falkner
5M Teacher: Mrs Hannah Mason
Teaching Assistants: Mrs Katie Bussey Mrs Louise Barlow

Mr Watts will also be working in Year 5

What to Bring

Children can bring a small bag. The St. William's Primary School tote bag that we have provided every child would be perfect to use. Please feel free to personalise it.

- Their packed lunch (hot dinners/school packed lunches are available, please order via School Money).
- A full water bottle.
- A coat – we will be using our outdoor areas as much as we possibly can so children will need a coat.
- A change of shoes/trainers and socks – we want to use the field as much as possible so children being able to change into different footwear would be beneficial.
- Any reading books that need returning – boxes will be at each entrance. These will be left for 48 hours before returning to the library.
- The book 'A song from somewhere else' and any Remote Learning exercise books also need to come back to school as the children will be using them in class for the rest of this term.

Reading Books

Year 5's library day is Thursday. This is the day they can chose new books to read at home.

Gates

Year 5 should arrive at the pedestrian gate on Furze Road between 8.30am and 8.50am.

We ask all adults to wear a mask when coming onto the school site, unless exempt.

They will be greeted by a member of staff; families cannot come through the gate with them. They will walk to the Pirate Playground and in to the doors at the end of their corridor. They will need to sanitise their hands as they come through these doors and every time they enter and leave the building. There will be a box by the door to put any returned reading books in. From there, they will head to their pegs in the corridor outside their classroom and then in to their classroom.

If there is more than one child in a family, Year 5 will need to come to the gate of their youngest sibling. If they have a sibling in Nursery or Reception, this will mean they can come through their usual gate as above. If they have a sibling in Years 1, 2, 3 and 4, they will come through the library gate on Williams Loke, walk across the Sports Playground, on to the Pirate Playground and through the doors at the end of their corridor.

If they come to school by bike, there are bike racks outside 5M or on the Sports Playground where they can leave them.

At 3.15pm, staff will bring them to the Furze Road gate to send them home. If they have come in by the library gate, they will walk to this gate to be collected. There will be a member of staff at the gate to make sure they wait for their adult to collect them.

What part of the school will they be working in?

Year 5 will have designated toilets off the library. In addition to those in the toilet rooms, they have two hand basins outside these toilets.

As well as their classrooms, Year 5 have a designated 'break out' space in the library which will be used for small group and individual work.

Key Stage 2 have a timetable for their outdoor spaces so only one Year Group is in any area at the same time.
