

Our Return to School on Monday 8th March: Year 6

Staff

6P Teacher: Miss Kathrine Paul Teaching Assistant: Mrs Zoe Grove
6M Teacher: Mr Dave Moreton Teaching Assistant: Mrs Debra Lee

Mr James Roberts will also be working in Year 6.

What to Bring

Children can bring a small bag. The St. William's Primary School tote bag that we have provided every child would be perfect to use. Please feel free to personalise it.

- Their packed lunch (hot dinners/school packed lunches are available, please order via School Money).
- A full water bottle.
- A coat – we will be using our outdoor areas as much as we possibly can so children will need a coat.
- A change of shoes/trainers and socks – we want to use the field as much as possible so children being able to change into different footwear would be beneficial.
- Any reading books that need returning – boxes will be at each entrance. These will be left for 48 hours before returning to the library.
- The book 'Holes' and any Remote Learning exercise books also need to come back to school as the children will be using them in class for the rest of this term.

Reading Books

Year 6's library day is Thursday. This is the day they can choose new books to read at home.

Gates

Year 6 should arrive at the pedestrian gate on Furze Road between 8.30am and 8.50am.

We ask all adults to wear a mask when coming onto the school site, unless exempt.

They will be greeted by a member of staff; families cannot come through the gate with them. They will walk across the Pirate Playground and in to the double doors of the library. Children will need to sanitise their hands as they come through these doors and every time they enter and leave the building. There will be a box by the door to put any returned reading books in. From there, they will head to their pegs in the corridor outside their classroom and then in to their classroom.

If there is more than one child in a family, Year 6 will need to come to the gate of their youngest sibling. If they have a sibling in Nursery or Reception, this will mean they can come through their usual gate as above. If they have a sibling in Years 1, 2, 3 and 4, they will come through the library gate on Williams Loke, walk across the Sports Playground, on to the Pirate Playground and through the library doors.

If they come to school by bike, there are bike racks outside 5M and on the Sports Playground where they can leave them.

Children can come to school by themselves, either the whole way or part of the way. Year 6 can bring mobile phones to school; these will be turned off and stored in their personal stationery wallet that is being provided for every child by the school.

At 3.15pm, staff will bring Year 6 to the Furze Road gate to send them home. If they have come in by the library gate, they will walk to that gate to be collected. There will be a member of staff at the gate to make sure they wait for their adult to collect them. Children can walk home on their own; please ensure the school is aware if this is your arrangement.

What part of the school will they be working in?

As well as their classrooms, Year 6 have two designated 'break out' spaces – one at the crossroads of the school corridors and one towards the dining room. These will be used for small group and individual work.

Key Stage 2 have a timetable for their outdoor spaces so only one Year Group is in area at the same time.

Year 6 will also have their own designated toilets.

6M have two hand basins at the top of their corridor.

6P now has a hand basin in their classroom for handwashing and refilling of water bottles.
