

# School update 18.01.2022

Dear Families

We want to get back in touch to thank you all for your understanding and support in the last few days, as always. It has been a very difficult time for many of you with so many children testing positive, even if not many are feeling very unwell. We send our very best to all of you at home. Thank you for those who took tests this morning and let us know the results. It is great to see the children that are able to be in school.

It has also been a difficult time in school, seeking advice and always trying to make the best decisions we can for everyone. Keeping school open for those able to attend has been paramount; we want to thank the whole staff team for their support in this.

We hope and expect cases to level off very soon. In the meantime, please keep us informed of your family's situation. We will keep you in touch with any new information that we have to share.

Last year, we said we could all only play what was in front of us; we didn't expect it to be this this week! As we also used to say, none of us have ever done this before. All of our collective best is all we have!

Take care everyone

Thank you

Sarah, Vicky and the whole St William's team
